## *Rooms, Suites & Villas*

At Le Barthélemy, interiors reflect the sea and natural beauty of its spectacular St. Barth's setting. Supremely luxurious, comprised of natural materials and bathed in light, accommodations are serene and stylish, designed with a deft hand to conjure an emotional response that complements and never competes with its island backdrop. Invisible drop-down screens easily transform outdoor terraces into private enclaves, shady and comfortable but without disturbing the view. Adding to this modern interpretation of tranquil Caribbean style, is the thoughtful integration of technology and in-room amenities by Hermès.
